

Summer 2009

Dear Parents,

Greetings! I hope your summer is going well. We will be quite busy in the dorm with summer camps and fine-tuning our facilities. I am sure you will appreciate some of the changes you find upon your return.

I trust your family is having a fun and relaxing summer. I am very excited that your son will be a part of the Bolles Resident Program, and we as a resident staff are working hard to ensure a successful and enjoyable time for your student this upcoming year. I am including in this letter some dates and times that will be very important to you as the new school year approaches.

First, please look at the calendar and plan your arrival accordingly. Prefects need to arrive on Monday, August 17. All new and returning students need to arrive Thursday, August 20. Check-in will be from 10 a.m. to 4 p.m. On Friday, August 21, we will have a Resident Parent and Student Orientation at 4 p.m. Dinner for parents and boarders will follow in Verlander Dining Hall. Please review all of the information you receive on the resident program with your son and call if you have any questions.

Please review our School calendar when making travel plans for the entire school year. The resident staff will work hard to provide as much help as possible with any transportation needs. Please contact us in advance if you have a special transportation request. The dormitory will not be open for any students until the dates listed previously.

If you would like to send bags or boxes ahead, address them to The Bolles School, 7400 San Jose Boulevard, Jacksonville, Florida 32217. Please include the student's name.

On behalf of our resident staff I would like to thank you for the opportunity to work with you this upcoming school year. I look forward to seeing you this fall

Sincerely,

A handwritten signature in cursive script that reads "Mike Boswell".
