2008 Olympic Gold Medal Winning Women's 8

Don't miss the opportunity to meet these champions on
November 20 and 21 and join us in the fight!

*The best women rowers in the world join the citizens of the River City in the one race we all must win - curing breast cancer. The **2009 Row for the Cure North Florida** has the privilege of hosting members of the **US Women's Rowing Team**, including **Olympic Gold Medal winners** from the **2008 Summer Games** in Beijing! We have this honor because our **Row for the Cure** event last year was the most successful Row in the entire world, raising the most funds in support of the promise of **Susan G. Komen for the Cure**. While **Row for the Cure** is certainly a fundraiser, it is equally important a way to celebrate survivors, memorialize those we have lost and embrace all families.*

Game**

2009 Row for the Cure North Florida

Row for the Cure is unique for a couple of reasons. Chief among them is that our primary goal is to reach out to those who have been impacted. To that end, we infuse our Row with meaning at all opportunities. Every boat rows in honor or in memory of loved ones whose names are announced at launch. We have a memory tree ceremony where loved ones lost are remembered in a beautiful and respectful manner. Members of the Bolles Crew along with other rowers from Jacksonville and beyond will gather to literally “pull for a cure”. We invite anyone from the Bolles family to join us in this day of celebration, remembrance and hope.

8:00 Opening Ceremony – Water front

8:30 Rowing Commences

11:00 Memory Tree Ceremony

11:15 Closing Ceremony
